

Private Fees

The Practice provides a range of services which fall outside the NHS. These may be charged to either the patient or for example an insurance company and are listed below.

Our staff will clarify the fee for private work in advance - please make an enquiry at reception or bring your form in to the surgery and we will get back to you to confirm.

Please allow at least 28 working days for your request to be processed.

Charges correct as at April 2022
